EXECUTIVE CHEF LARRY DUNN

THE TOBACCO ROAD SPORTS CAFE PROMISE

Brothers Brian, Alex and Rommie Amra share a passion for both sports and good food. Unfortunately, they found that their favorite places to watch the game were never the same as their favorite places to eat, and decided to remedy this for the people of the Triangle.

At Tobacco Road Sports Cafe, you can expect:

1. FRESH, DELICIOUS FOOD.

You definitely won't find greasy, fresh-out-of-freezer food here. Our food is all made-to-order using only fresh ingredients. All produce is purchased locally. Tobacco Road boasts a creative range of dishes crafted lovingly by our professional chef. Guests can enjoy an array of items including down home regional classics (with our own special spin, of course), gourmet entrees and plenty of healthy alternatives beyond your usual salad choices.

2. EXCEPTIONAL SERVICE.

We know what kind of service we expect when we choose to dine out and how disappointing it is when restaurants fall short of these expectations. At Tobacco Road we strive for service perfection. From the hostess that sincerely and warmly welcomes you to our restaurant, to the server that pays careful attention to your needs and the chef that ensures that your food is prepared to your expectations—in everything we do, we want to give you a dining experience that is flawless.

3. FOR THE SPORTS FAN, ALL THAT YOU COULD ASK FOR.

We will carry every single sports package available—from major league baseball to cricket—shown on screens throughout the restaurant, situated with your viewing comfort in mind. For those of you that enjoy a healthy sports debate with fellow avid sports fans, look no further than Tobacco Road.

WHAT IS "TOBACCO ROAD"?

Well, it depends on who you ask. To us, Tobacco Road refers to the home of arguably the most recognized college sports rivalries (especially in basketball) in the country, between teams that are all located in North Carolina. This originally referred to the rivalries between Duke University, North Carolina State University, The University of North Carolina at Chapel Hill and Wake Forest University. It has since expanded to include fans representing all of the state's colleges and universities, including East Carolina University, Davidson College and many more. The intense loyalty of Wolfpack, Blue Devil, Tar Heel, Demon Deacons and other college sports fans makes this area a great place to be a sports fanatic. The Triangle also boasts large and devoted fan bases for the Carolina Hurricanes, Carolina Panthers, Durham Bulls, Maryland Terrapins, Ohio State Buckeyes, Boston Red Sox and many more teams across every sport. At Tobacco Road Sports Cafe you can enjoy a great sports-friendly atmosphere all year, no matter what sport or team you are here to watch.
